**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I do not want monopolies. I want what's right for the people. Stop these greedy billionaires from further collecting on the struggles of the common American people. Do something for us. You're complicit in this. Taking competition away kills the small companies that would do good for our local communities by ensuring their reliable access to the free Internet. This is the people's last tool for freedom, do not take it away.
